

ABA Program

Meet Heather Cushing-Gordon our Behaviour Analyst (BCBA) and Clinical Director. Heather has over 20 years of experience working with children with Autism and their families

Our Team

Therapists: Attend each session, work on goals that you identify are important - such as communication, dressing, feeding, toileting, playing, social skills, independence, academics, self-regulation, etc.

Senior Therapist: Would attend weekly sessions to ensure that the program is progressing well, analyze the data that is collected and make sure the family needs are being met. The Senior Therapist also writes all of the programs, creates materials and writes reports

BCBA: Provides input and training needed by therapists and senior therapists to ensure that the needs of your loved ones are met. BCBA sign off on all processes implemented as needed for the therapists to do their jobs.

Our Processes

Intake Session: During the intake session with our professional BCBA, we will collect information that will help create care plan that is shared with our Therapists and Senior Therapists. This will help prepare the team to meet the needs of your child. BCBA will ask you certain questions about your child and family needs. Questions would include:

- What does your child like to do?
- What are some of the concerns that you have about your child?
- What is it that you would like to work on with your child to improve his skillset?
- Who has worked with your child in the past and if there has been a service that really benefited your son?
- If your child is in school, how he's doing at school and what the teacher reports have been.

Once intake meeting is completed, copy of contract would be sent to the parent/guardian to review and sign.

ConnexMatch is a subsidiary of ConnexHealth Inc.

Therapy: Therapy sessions are provided in your home or your child’s daycare or private school (approval needed by the daycare/school) by our team of professional therapists and senior therapists. The program is overseen by our team of professional BCBA’s

Our Rates

Intake session	\$100.00
Start up costs	\$300.00 (this includes reports and programs to get started after the senior therapist has time to analyze the assessment data)
Therapy	\$55.00 per hour (minimum 6 hours commitment)
Senior Therapist	\$80.00 per hour (minimum of 2 hours commitment per session)
